

**We are Belgian
Recruitment
Specialists
in Digital,
Technology
and Business
transformation.**

At **Clearsource**, we specialize in matching leading-edge **Digital, Technology** and **Business Transformation** talent (contractors and permanent employees) with forward-thinking companies.

Our approach combines **human** insight, technical expertise, and the latest in **AI-driven technology** to deliver exceptional, efficient recruitment solutions.

Our senior consultants are dedicated to understanding your company's culture and values, so we can find not just a qualified candidate, but the right person. Through AI-supported sourcing, we're able to work faster and more accurately, leaving us more time to connect with you and the top talent personally.

” Lasting value and Trust defines who we are at Clearsource, every day.

All in one solution partner.

At **Clearsource**, we are specialised in finding and recruiting top technology and digital professionals with a specific focus on **Management Services**.

... and more.

Belgian Recruitment Company

Founded in **2005**

Why do clients **work with us?**

Time-Saving

You only meet rigorously pre-selected, fitting candidates that are interested in your open position.

Seriously Good

We love what we do: building authentic and impactful connections with our clients and candidates to serve them best !

Dedicated Personal Contact

You work directly with a senior consultant who manages every step personally, for both you and your ideal candidates.

Tailored Staffing Solutions

Contract Recruitment.
Permanent Recruitment.
Temp-To-Perm Solutions.

Our Efficient & Stress-free process.

Top candidates are off the job market in 10 days.

Being quick and responsive keeps candidates engaged and increases your chances to hire them before others do.

Pre-select

We keep you focused by sending only the best-matched, interested candidates, within an average of 2 working days.

Intake

Our comprehensive intake elevates the entire recruitment journey. The more we know, the better we can serve you.

Interview & Select

For an outstanding candidate experience:

- Have a clear interview process.
- Give us prompt feedback.
- Schedule the interview within 1 week.

Deliver

Our role doesn't stop here! We will provide regular follow-up (human, commercial, administrative & financial) and assist you along the way.

Let's work together to build your ideal solution.

Whether you're a large corporation, a startup, or an SME, our **agile local structure empowers us to craft creative, tailored solutions.**

We position ourselves as an extension of your team, working with you, not just for you: **we're here to adapt to your evolving needs and support you!**

Now, let's move from words to action!

Share your challenges with us: the best way to experience the Clearsource approach is by entrusting us with your next recruitment!
